

# Break Away BANNERS

Break-Away banners and Deluxe Break-Away banners pull apart as players make their way onto the field, which means there is no excessive stress put on the banner or the people holding the banner in place. Our unique construction means the Break-Away Banner is reusable. Simply reattach the banner sections at the Velcro® hook and loop seams, roll the banner up and store it for the next big game. Each banner has pole pockets on each side to accommodate up to a 2" pole. 1 ft x 3 ft [Mini-display banner for display in your shop available.](#) \$9.99 Breakaway style, \$14.99 Deluxe-Break-Away style.

**Break-Away Banners:** we attach two banner halves together at the top, center, and bottom with sewn-in Velcro® hook and loop fastener. Please note that banners will finish just under the sizes listed.
