

Construction Methods for Polly Banners:

The majority of the Polly banners we sell are 12 feet and less in length. These banners have a standard construction of hemmed two sides with a D Ring in each corner. Polly banners over 12 feet in length have added features, which are depicted in the images below.

Variations on our standard construction can be requested including Pole Pockets or grommets instead of D Rings.

 <p>Polly Banners 2', 3' & 4' wide Up to 12' in length</p>	<p>Standard banners 24", 36" & 48" wide up to 12 feet in length: Hemmed two sides with a D Ring in each corner</p>
 <p>Polly Banners 2', 3' & 4' wide 13' thru 19' in length</p>	<p>Standard banners 24", 36" & 48" wide 13 feet through 19' in length: Hemmed four sides with a D Ring in each corner</p>
